Beware of Fake Selection Emails

It has come to our notice that some candidates are receiving fraudulent emails claiming their selection for various posts under Non-Executive cadre in NFL. These emails are fake and are not issued by the official recruitment authorities.

Candidates are hereby advised not to respond to or act upon any such unsolicited emails or messages. No official joining process has been initiated as of now, and any information regarding the same will only be displayed on NFL's official website. Candidates are advised to visit NFL's website for any updates before acting upon any such emails.

Please note that if any candidate acts on these fake emails, they shall do so at their own risk, and NFL will not be responsible for any financial or other loss arising out of it.

We urge all applicants to stay alert and verify any recruitment-related information only through NFL's official website.
